CHANGES TO YOUR ORDER AFTER PAYMENT

Any change made to your order that is not due to a stock issue on behalf of the stock suppliers will be subject to a change fee of \$50.00 + GST in addition to the additional costs to make the changes. Any changes to your order after it has been placed will delay your order, even if you have paid a rush fee and/or have given us a required date. It is very important that you do not place your order until you are certain that's what you want. Once the process begins, everyone in our shop starts to work on different aspects of the job and changes become costly and time consuming.
